### Tuition Fees (Annual Review)

Tuition increases approved by the Board of Directors. Tuition increase permits the school to remain fiscally viable and is dependent on factors such as government grants, staff salary increases, and other general expenses.

### Payment Method

Tuition fees can be paid by direct deposit, credit card (assessed by 3%) or by a cheque. Reach out to the school administrator for assistance.

Cheques must be received no later than the last business day before the invoice due date.

The cheque should be made payable to:

Chabad of Vancouver Island

Note/Memo: Kineret Tamim Academy

### Tuition Schedule

Tuition fee payment plans:

1. Ten payment plan- payments are due on the 1st of each month, from August to May.
2. Two-payment plan- half of your annual tuition payment is due August 1st and the remaining half on January 1st.
3. Full payment plan- You may also opt to pay your entire tuition in one lump sum by August 1st.

Tuition is invoiced based on the annual tuition amount divided by the number of payments in the plan you chose. For example, in the ten-payment plan, the amount of each tuition payment will be equal to the total annual tuition amount, minus any financial aid and discounts, divided by ten. Each of the ten payments will be the same regardless of the number of school days during that month.

### Returning Cheques/Insufficient Funds

A \$25 fee will be charged for payments returned due to insufficient funds or stopped payments.

If you anticipate you may have problems paying your tuition at any point, please contact the school.

## Outstanding Balance

Any past-due balance that remains unpaid after 30 days will result in a phone call from our support team notifying you that you have 30 days to bring your account balance current. If after 60 days of a past-due balance and no effort has been made by the parents/guardians to rectify the matter, you will be contacted by the principal to discuss the situation and determine a payment plan. If the total past-due balance, including any returned payment charges, is not paid in full within the payment plan, your child's enrollment will not be allowed to register for the following school year.

## Withdrawal and Refund Policy

If you decide to withdraw your child for any reason during the school year, please provide written notice at least one month in advance. Make sure to include your child's last date of attendance. You will be responsible for the tuition due according to the withdrawal statement below, in addition to any past due invoices, and any other KTA services or programs to which you have committed. To notify us of a withdrawal, please email the school at: [Office@tamimvictoria.org](mailto:Office@tamimvictoria.org)

- After December 1st you are responsible to pay the full amount of the Total Annual Tuition.
